

Internship Opportunity

Position: Research Assistant

Job Description

- Collect, clean, analyze, and interpret economic data
- Research various economic, fiscal, and legal issues
- Draft, proof, and edit reports, presentations, and visuals
- Create and manipulate spreadsheets for purposes of economic and fiscal modeling
- Conduct multivariate analyses, particularly regression analyses, as part of the statistical and econometric aspects of the client work

Qualifications

- Self-starter, internally motivated
- Thrives in collaborative, project-oriented settings with small groups of professionals
- Familiarity with settings involving complex problem-solving
- Analytical perspective
- Working towards or having completed a Master's Degree in Economics or Public Policy, or equivalent experience
- Experience in writing technical reports
- Familiarity with the Philadelphia region and its economic and fiscal issues
- Technical research experience: identifying sources, collecting and interpreting data
- Competence in Microsoft Office applications, particularly Excel
- Basic working knowledge in STATA, R or GIS a plus
- Familiarity with spreadsheet modeling, fiscal and cost/benefit analysis and/or regression analysis a plus

Benefits of Internship

- A project-based and team-oriented work culture
- Exposure to many of the important economic and policy issues facing the Philadelphia region
- The opportunity to learn from the experience and expertise of the partners and consultants
- Strong organizational connection to local universities and colleges

Company Overview

Econsult Solutions Inc. (ESI) provides insights into economic problems, policy questions, and strategic thinking. Our work focuses on providing customized economic expert services in Real Estate, Transportation, Economic Development, and Public Policy and Finance. In addition, we provide Litigation Support services in over 40 industries, as well as customized Solutions to a variety of clients.

Past client work has included work in transportation planning, tax policy, and real estate development. Stephen P. Mullin, President and Principal, former Finance Director and Commerce Director for the City of Philadelphia, and Richard Voith, President and Principal, formerly SEPTA's Vice Chairman of the Board and an appointed member of the Pennsylvania Transportation Funding and Reform Commission lead the practice.
