

Thomas Guccione

Analyst

Thomas Guccione is an analyst at Econsult Solutions, Inc. (ESI). Mr. Guccione brings to ESI a background in neighborhood economic development and economic impact analysis.

Previous Experience

Prior to joining the ESI team, Thomas worked as a Drexel Co-op for the firm, where he participated in a wide variety of projects including economic and fiscal impact studies for institutions and universities, developed Pro Formas for a variety of development projects, and studied the potential impacts of economic policy. Through his experience at ESI, Thomas has gained proficiency in Excel, STATA, and R, allowing him to perform a number of different economic analyses.

Education

In 2018, Thomas received his Bachelor of Science in Economics, with a minor in Political Science at Drexel University. Thomas is interested in a range of economic topics, especially the effects of urban policy on local and neighborhood economic development.
