

## Melissa E. Wright, M.P.A.

Associate Director

Melissa Wright is an associate director at Econsult Solutions, Inc. (ESI). Ms. Wright provides expertise in data analysis and public policy issues.

### Experience

Previously, Ms. Wright worked for Teach for America as a Director of Performance and Evaluation, where she led the facilitation of learning experiences for teams and clients that focused on building skills and knowledge of outcome measurement and improvement. Prior to that, Ms. Wright worked as a project manager at the School District of Philadelphia, where she collaborated with assistant superintendents and principals to strategically plan objectives and preliminary budget needs for students.

### Areas of Expertise

Research and Statistical Analysis

Project Management

Economic Development

Public Policy

Education Policy

### Education

M.S.Ed., Education Policy,  
University of Pennsylvania  
2018

M.P.A., Non-profit Finance,  
University of Pennsylvania  
2018

B.A., Economics,
