

**Rob Fleming, AIA, NOMA, LEED AP, LFA**

Senior Advisor

Rob Fleming is an award-winning educator, author, LEED® accredited professional, and architect. He is the Co-creator and Director of the Master of Science in Sustainable Design Program at Thomas Jefferson University. With over 250 graduates, the program is one of the oldest, largest, and most innovative sustainable design programs in the world. In 2020, Rob co-authored his third and fourth books: Sustainable Design Basics and Sustainable Design for the Built Environment. Rob is a Sustainability Fellow at Re:Vision Architecture in Philadelphia where he consults and facilitates integrated design charrettes. In all his work, Rob strives to: Advocate for social equity in the built environment; Regenerate the natural environment, Make beautiful places; and Bring economic viability to sustainability projects.
