

Hyojin Lee

Analyst

Hyojin Lee is an analyst at Econsult Solutions, Inc (ESI).

Experience

She received her dual master's in City and Regional Planning and Public Policy from Rutgers University in 2022, and a bachelor's in Architectural Conservation from the University in Hong Kong in 2018. Prior to joining ESI full-time, Hyojin interned with ESI while completing her graduate studies at Rutgers. She was also a member of the New Jersey Climate Corp at the NJ Climate Change Resource Center, providing technical assistance to municipalities in understanding their vulnerabilities to climate change. Hyojin brings experience working in non-profit organizations and within a university setting.

Additional Experience

Hyojin has also worked in organizations such as the World Federation of United Nations Associations (WFUNA) as a Program Assistant and UNESCO Bangkok as a Contributing Writer.
