

Lucie Doran

Analyst

Lucie Doran is an Analyst at Econsult Solutions, Inc (ESI).

Experience

Lucie worked as a Research Assistant at ESI prior to joining as a full-time analyst. She graduated from Drexel University with her B.S. in Mathematics and B.S. in Economics. She also graduated from the Honors Program at Drexel and received Magna Cum Laude honors. During her time at Drexel, Lucie interned with Monitoring Analytics where she focused on identifying trends in energy pricing policies and developments in the carbon trading market. Lucie brings experience with econometric modeling, R programming, and a passion for sustainable development.
